## OUR WORKSHOP

# OUR APPROACH

School and Office Supplies (SOS) has over 45 years' experience in the education and commercial markets.

We operate throughout the UK and Ireland, offering great ideas and solutions for classrooms and offices.

We provide a wide range of ergonomically designed seating and display units. Alongside this, we handcraft bespoke desks and storage units to fit every need.

The 'Made in Belfast' furniture range is manufactured in our Belfast workshop and includes classroom, storage, office and meeting room furniture as well as bespoke client requirements.

We pride ourselves on high quality and our aim is to provide the highest level of customer care and satisfaction.

### **Our core values and strengths are:**

- High quality furniture
- Strong relationships, collaboration and communication
- Promoting skilled craftwork
